well known station.

Cutler Cafe

Judy Dammermann—Owner

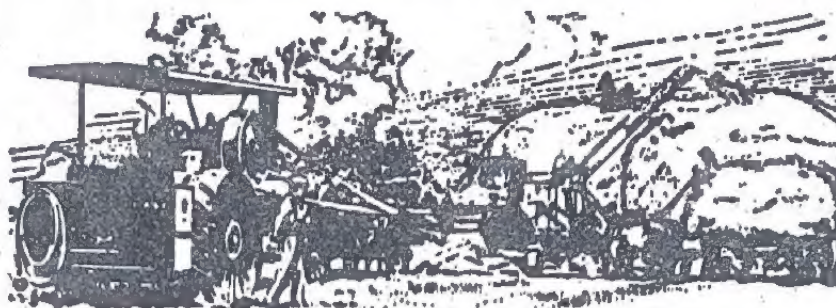

A good cafe will have four main ingredients; first good food, deliciously and carefully prepared. Second, courteous but extra fast service. Third, a menu that is planned for the whole family. And finally, a cafe that just simply has that knack of making you "feel at home".

If you haven't already guessed, we are talking about the Cutler Cafe located on Highway 150 in Cutler, phone 497-8242. The folks at Cutler Cafe take pride in "preparing from scratch" and using fresh ingredients every day.

If you can remember back when each cafe had old fashioned quality and flavor, stop in one place that still does: Cutler Cafe.
